About the 2020-25 Strategic Plan for Racial Equity Transformation

This strategic plan was a labor of love and born out of the desire to create a better tomorrow for all learners in St. Louis Park Public Schools that is not predictable by Race. District Administration custom-designed a process that combined an adaptive approach to center the Core Planning Team Members' thoughts, feelings, and purpose related to racial equity with technical execution. The group was focused on answering the following question... What is needed for the thorough and dramatic change of Racial Equity Transformation to occur in St. Louis Park Public Schools; where current, racist systems are abolished to build new, anti-racist systems and structures with all community stakeholders to create student-centered schools with inspired and empowered outcomes regardless of race and accountability measures for students and adults by the end of 2025?
